

Marlay Point Overnight Race 1984

CONDUCTED BY LAKE WELLINGTON YACHT CLUB

Results

DIFFERENT AGAIN

Yet again it was a race with a difference! This time it must have been some consolation to those drifting around in circles in McLennan Straits at midnight that at least the current was taking them along the course rather than back into Lake Wellington.

The wind recorded at RAAF East Sale averaged less than 2 knots from 8 p.m. to 3.30 a.m. Between 4 a.m. and 5 a.m. it averaged 20 knots from the west, with a maximum gust of 32 knots at 4.50 a.m. Between 5 a.m. and noon it averaged 12 knots from the south west.

Although nobody considered the conditions to be unmanageable, two boats capsized and were unable to right themselves. The rescue boats, in accordance with their brief, took crews out of the water immediately. Given the insidious nature of the symptoms of hypothermia and fatigue, a person in the water at 5 a.m. is not always the best judge of his own condition!

Final entry tally was 608, of which 574 boats actually started, and 556 were recorded as finishers. The two boats listed as disqualified in the results themselves reported that they had not correctly sailed the course. Since both would have otherwise received trophies this indicates a high degree of integrity, and reflects the commendable standard of sportsmanship which was displayed by competitors in this event.

Lake Wellington Yacht Club thanks the many volunteer, commercial and local government organisations who helped with the Caltex Southern Cross TV8 Marlay Point Overnight Race 1984. Congratulations to those crews who made it to Paynesville, commiserations to those who didn't, and we look forward to seeing you all back in 1985.

ALBERT RILEY.

SUMMARY OF RESULTS

LINE HONOURS

Out Of The Blue
Ross 780 Mod.
Dennis Crowhurst
Goolwa Regatta S.C.
