23rd CALTEX MARLAY POINT OVERNIGHT RACE

9th/10th March, 1991

RESULTS

RACE REPORT - OFFICERS of the DAY - RACE CHAIRMAN.

First of all, I would like to thank the Organising Committee, the Finish Line Crew, the Crews in the Duty Boats during the Race, and the willing Club Members who worked so hard to make the 23rd. Marlay Point Overnight Race a success.
My congratulations to them all on a job well done.
I hope that all competitors enjoyed the race. My congratulations to the successful entrants.
The feedback that we have received so far indicates that most competitors are pleased with the new format for the Race.
The changes have made race management more efficient. There were minor teething problems with our new computer programme, but I'm sure these will be ironed out for next year's race.
The major problem in race management was caused by illegible race numbers, which were missed or misread by the finish line personnel when the yachts went through McMillan Straits for the first time. Something next year's Committee will have to rectify.
For me, the highlight of the race was the presence of the Bureau of Meteorology's Outposted Forecasting Team. Their forecasts were extremely accurate.
Statistics for the Race were :-

Entries - 375 Yachts

D.N.S. - 45 .....

Starters- 330.....

D.N.F. - 27 .....

Div. A - 97 Starters

Div.B - 112 .....

Div. C - 121 .....

First Yacht Finished :- 0325

Last .....:- 1435

I would like to take this opportunity to thank our Sponsors, Caltex Oil Australia, also the Bureau of Meteorology, S.E.S. of Sale and Lochsport, Coast Guard Lochsport, the Gippsland Safety Council, the Water Police, W.I.C.E.N.(Wireless Inst.) Gippsland Lakes Yacht Club, and all the other organisations that have assisted with the running of the Race, without them, we would have a very difficult task indeed.

Thank You,
Barry Phillips,
MPONR Chairman / OOD.
