29TH KAKADU
MARLAY POINT OVERNIGHTER
1997 RESULTS

Dear Yachting Enthusiasts

It was with great pleasure that we again welcomed ***Kakadu Traders Australia*** as our major sponsors for the 29th Marlay Point Overnighter.

The daylight starts again proved successful and safe in the testing conditions.

At 4-00 pm on Saturday, in a solid south westerly, we saw the start of the ***"Dash for Cash".*** The race proved a spectacular sight for the public and more than a test for the rigs of some of the sports trailables.

In wind building to a genuine 25 knots and testing wave conditions on the aft quarter, the fleet battled across Lake Wellington on the first stage of the Overnighter. The conditions proved too much for some with a few yachts retiring mainly through gear failure. The conditions, however, allowed for some exhilarating sailing with the finishing team reaching Paynesville and setting up with only 15 minutes to spare. The first boat across the line (from division B) arrived with great commotion both on board the boat and from the excited spectators at an amazing 9-27 pm, only 3 hours and 37 minutes after the Marlay Point start !!

As a comparison, the first boats home last year arrived after 2.00 am and the last not until after 11-00 am.

The fastest long course boat completed the journey in 4 hours and 11 minutes including the lap of Lake Wellington.

Stage two proved a spectacular sight in excellent conditions and was run without major incident. The Dash for Cash 2 failed to establish the superiority of either mono or tri with a draw being declared.

Yachties expressed satisfaction at the local voluntary support from a large number of organisations at both ends of the race.

The shorter time on the water allowed for more fellowship than usual and in the finest yachting traditions, competitors made the most of the opportunity.

I especially thank the Commodore and members of the Gippsland Lakes Yacht Club for their wonderful hospitality and assistance.

Enclosed is a questionnaire. We would appreciate your responses in order to make next years event bigger and better.

Yours in sailing

NEIL ROSS
Race Director.
