Congratulations to all Competitors in the 33rd PLASTANK Marlay Point Overnight Race, Australia's premier Trailable Yacht race. A forecast storm, which hit Marlay Point at 4pm on Saturday before the race reminded entrants of the potential dangers of sudden weather changes that can occur on the Lakes. The weather cleared and the Start took place in 10-12 N.E. wind. All fleets were under way before a swing to shifty W to S.W. conditions. Unfortunately the light on mark L.W.1 failed to operate, causing difficulties for competitors in Divs M,C & D.

A major concern for race officials remains the legibility of race numbers. All competitors need to have clear to read numbers and to submit Logs that record a finishing time and an adjacent boat as a minimum. Thanks to the competitors who take the time to provide feedback and constructive criticism about the race, and also to the team of L.W.Y.C. members who put in the hours before during and after the event.
