This year's race might well be described as near perfect. From the Clubhouse balcony and along the foreshore at Marlay Point, a good crowd of spectators enjoyed the unique sight of 125 white sails reflecting the bright sunlight from the western sky against a black threatening easterly sky. The photographers were in paradise clicking away happily. With a build up of a nice South Westerly as predicted by our intrepid weatherman after a slow drift across Wellington, all boats enjoyed ideal conditions in an exhilarating sail down Victoria virtually free of incidents.

The first boat to complete the long course finished at 3-36am with the quickest short course boat arriving at 4-18am. Everyone was home by 7-42am in time for a beaut breakfast from our hosts Gippsland Lakes Yacht Club.

We hope to see all the winners at LWYC's presentation night later in the year.
