This year's race might well be described as near perfect. The race started in a 10-12 knot southerly creating a bit of crowding around the start boat but providing a straight leg across Lake Wellington. The wind eased a little and swung towards the west providing ideal conditions in an exhilarating sail down Lake Victoria virtually free of incidents.

The first boat finished at 12-45am with the last boat arriving at 5-00am. A very quick race. Everyone was finished in time for a beaut breakfast from our hosts, the Gippsland Lakes Yacht Club. Many thanks to the GLYC members for their assistance and co-operation and to the Paynesville Rescue Squad for their excellent work. Well done to all the LWYC members who make the event happen. It was great to see an increase in entries with over forty first-timers. Hopefully you will all be back next year. We hope to see all the winners at LWYC's presentation night later in the year.
