It is many years since the wind stayed so light for the entire race and only once before has the fog been as thick. The conditions certainly made sailing and navigating difficult. Congratulations to all those who completed the course, even the one that came through at 5.15pm; a bit late to be recorded as a finisher but very proud to have sailed all the way. The number of C and M division boats to retire without going around Raymond Island was quite surprising when there was plenty of time remaining albeit not much wind.

Many thanks to the GLYC members for their assistance and co-operation and to the Coast Guard volunteers for their excellent work in their first race. Well done to all the LWYC members, friends and relatives who make the event happen.

Entries were close to last year's with almost forty first-timers. Hopefully you will all be back next year with another group of new comers.
