The slow race was challenging and unfortunately many boats failed to finish within the time limit. Some finished outside the time limit and submitted their declaration quickly enough to be considered a finisher under Sailing Instruction 14.2. Congratulations to all those who completed the course, and well done to everyone for having a go. The support from the entrants is greatly appreciated. We were delighted to see a slight increase in numbers with many regulars and several first timers experiencing another variation of the Marlay magic. Many thanks to all the LWYC members, GLYC members, Coast Guard volunteers, other support group people, friends and relatives who work so hard to make the race a success.

The committee is grateful for the support from APC Logistics, Sunsail, Blue Gum Clothing, Dahlsens and Carmody Marine.

We hope to see all the sponsors and competitors back again next year for the 39th race.
