The third entrant was not eligible for team events

Good wind at the start and again at the finish allowed 92 percent of the starters to finish in good time. Congratulations and thank you to all the competitors. The positive comments received after the race, make all the hard work worthwhile. The support from the entrants is greatly appreciated.

We were delighted to see many regulars and several first timers experiencing another variation of the "Marlay Magic". While numbers were slightly down, there were more than sixty different classes represented. Many thanks go to all the LWYC members, friends and relatives; GLYC workers; Coast Guard volunteers; the SES; the St John Ambulance; the Cobains P.S. Parent Group; the Clydebank CFA and other groups who work so hard to make the event run smoothly.

Everyone should be extremely grateful for the sponsorship from APC Logistics, Sunsail, Blue Gum Clothing, Dahlsens and Carmody Marine. The committee certainly is for without their support this event would not have been possible.

The 40th race will be held on Saturday March 8, 2008. We hope to see all the sponsors and competitors back again.
