An ideal breeze and moonlit conditions provided competitors with a comfortable, quick and easy race. The speed of the first two multihulls had to be seen to be believed. APC Mad Max set a record time on this course, completing the race before only one other boat had reached Paynesville for the first time. Two Tribes was the other boat and on handicap won by five seconds.

Congratulations and thank you to all the competitors. Your support is greatly appreciated.

We pride ourselves on getting provisional results out quickly but several unusual computer problems set us back a bit. Fortunately the competitors' logs were generally very good and after several extra hours of cross referencing and computing corrections these final results are available on schedule.

Many thanks go to all the LWYC members, friends and relatives; GLYC workers; Coast Guard volunteers; the St John Ambulance; the Cobains P.S. Parent Group; the Clydebank CFA and other groups who work so hard to make the event run smoothly.

We are all extremely grateful for the sponsorship from APC Logistics, Sunsail, Wellington Shire, Dahlsens and Carmody Marine.
