### **Change to Sailing Instructions 17.2**

The VHF Channel used during the race is changed to 73 from 77.

This effects SI 17.2

SI 17.2 should now read

- 17.2 Any skipper who withdraws or is forced to retire shall, immediately, telephone the Race Headquarters 0490 803 590 or contact one of the radio control points (Marlay Point or Paynesville Race Control Centre) on **VHF CH 73**. Failure to be recorded may involve the Water Police in a search and possible considerable expense to the skipper.
